Dear Sir or Madam:

This is in response to your letter requesting a copy of your exemption letter.

Our records indicate that your organization was recognized as exempt from Federal income tax in June, 1973, under section 501(c)(3) of the Internal Revenue Code of 1954.

Based on the information submitted with your original application, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification is based on the assumption that your operations would continue as stated in the application. If your sources of support, purposes, character, or method of operation have changed, please let us know so we can consider the effect of the change on your exempt status and foundation status.

If you have any questions, please contact the person whose name and telephone number appear in the heading of this letter.

Sincerely yours,

James J. Ryan
District Director
