DRIVING EXPERIENCE

Each year the Auburn Cord Duesenberg Automobile Museum Driving Experience explores great tracks. Participants from prior years cannot say enough great things about the experience. Prepare for a full day of driving on the track on Mondays. This is a fundraiser where 100% of the net profit goes to the Auburn Cord Duesenberg Automobile Museum, a 501(c)(3) organization. An exciting racing tradition was bred through the classic cars and history displayed at the Museum, and its mission continues with support from the Driving Experience.

The 2023 Auburn Cord Duesenberg Automobile Museum Driving Experience takes place at the Corvette National Museum Motorsports Park in Bowling Green, Kentucky June 4—5, Putnam Park in Greencastle, Indiana July 9—10, and once again, Mid-Ohio Sports Car Course in Lexington, Ohio August 13—14. Included in registration is lodging the night before, lunch at the track at each venue, and a hosted dinner in June and August. We invite any clubs to sign up and participate – bring your cars to the racetrack! Please contact Mike Eikenberry, Chairman of the Auburn Cord Duesenberg Automobile Museum Driving Experience phone: (260) 229-2017 or email: mikeeikenberry@comcast.net for additional information. Registration forms can be returned to the Museum or e-mailed to banderson@automobilemuseum.org or heatherm@automobilemuseum.org.
